- Convenient handrails for user comfort and security
- Non-skid platform
- Permanent, no-lube bearings at all major pivot points
- Limited 5-year warranty

*Setting The Standard For Safe, Reliable Wheelchair Lifts*

# Reliant™

## Reliant™ Advantages:

- **Often imitated but never duplicated**

The Reliant™ from Ricon applies the famous S-Series® technology to the personal wheelchair lift market. Using the technology that set the industry standard years ago, the Reliant™ has been refined and improved to make one of the most reliable lifts ever.

- **Easy to operate and maintain**

Standard pendant control or optional radio remote control operation is available. The added convenience of Ricon power door operators provides an extremely convenient and reliable lift package. Further, the Reliant™ combines a superior design with a strong durable steel frame and permanent, no-lube bearings at all major pivot points, to give you years of dependable service.

- **Smooth and quiet operation**

Reliant™'s unique design makes it stable and compact when stowed. This results in dramatically reduced rattle noise when traveling. With the added benefit of Ricon's patented Sto-Loc™, which secures the lift from accidental deployments, the ride with Reliant™ is always quiet and smooth.

- **5-year Limited Warranty\***

US Patent Nos. 6,203,266 B1; 6,173,737 B1; 6,042,327; 5,944,473; 5,605,431; 5,445,488 / Canadian Patent No. 2,168,761 / UK Patent No. 0,716,588

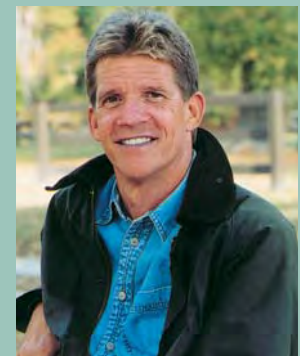

## Reliant Specifications:

Power .....	Electro-Hydraulic Motor
Pump Rating - 12VDC .....	65 amp. avg. / cycle, 1250 psi
Pump Rating - 24VDC .....	32.5 amp. avg. / cycle, 1250 psi
Rated Load Capacity .....	800 lbs. / 363 kg
Manual Backup - Up .....	Manual Hand Pump
Manual Backup - Down .....	Manual Release Valve
Weight .....	Approx. 317 lbs. / 144 kg

\* One year for parts and labor; five years on hydraulic components.  
(Cylinder, Flow Control, Motor, Pump, Hydraulic Hoses and Fittings)
