

F9T™

MIRAGE

Introducing the Ricon Mirage® F9T™ Wheelchair Lift.

World class proven technology and performance innovations, that have significantly raised the bar for wheelchair lifts.

THE INDUSTRY STANDARD FOR OVERALL PERFORMANCE, RELIABILITY & VALUE

The Ricon Mirage F9T under-floor wheelchair lift delivers performance on demand. Virtually invisible when not in use, the Mirage F9T stows in a cassette enclosure mounted beneath the vehicle floor so the doorway is clear and the lift is protected from the rain and dirt. Constructed of steel and aluminum, the rugged Mirage F9T provides reliable service for both the transit and the motorcoach industries. At the touch of a button, the Mirage lift quietly raises, lowers, stows and deploys with the dependability found in every Ricon lift.

PERFORMANCE, RELIABILITY AND VALUE

Ricon Mirage F9T under-floor wheelchair lifts provide secure and reliable access while setting the industry standard for safety, performance, value and ease of use. These innovative lightweight designs feature:

- Easy operation and maintenance
- Unique under-floor design optimizes usable space
- Stowed lift leaves doorway completely clear
- Hydraulic power provided by remote Power Pack
- Durable design for long lift life
- Multiple dimension options providing versatility between customers
- Rated 300 kg load capacity
- Two-year limited warranty

F9T™

MIRAGE

ADVANCED RICON LIFT TECHNOLOGY FEATURES RELIABLE PERFORMANCE AND USER-FRIENDLY DESIGN.

Features:

- Low-profile cassette design for minimizing impact on luggage bays.
- Unique under-floor design optimizes usable space
- Industry-leading Ricon Safety Zone, combines front and rear roll stops and handrails, secures passengers during lift operation.
- Simple and reliable operation provides convenient vehicle access for wheelchairs.
- Powerful hydraulic pump assures smooth, stable operation.
- Stainless steel and aluminum construction with high gloss, polyester powder coat finish resists corrosion.
- Multiple dimension options available providing versatility between customers.
- Standard lifts rated at 300kg.
- ADA regulation compliant.
- 2-year Limited Warranty.

Mirage®LIFT: Model F9T™

Power electro-hydraulic (power-up/gravity-down)
 Operating Voltage Range 24v DC 21-27 Volts
 Pump rating @ 24V DC..... 1800 psi, 1250 watts
 Hydraulic cylinder..... Ø3.0", single acting
 Rated load capacity300 kg
 Manual backup (up).....hand pump
 Manual backup (down)..... pressure release valve
 Lift Weight..... 317 Kg

DIMENSIONS - mm	A ¹	B ²	C	D ³	E
MODEL	Floor-to-Ground Travel	Travel Above	Enclosure Height	Enclosure Width	Enclosure Length
F9TF-DE/DS	1651	660	229	1092	2057

F	G	H	J	K
Usable Platform Length	Usable Platform Width	Clear Entry Width	Traveling Frame Width	Handrail Height
1300	813	806	1052	775

1. Maximum available, requires vehicle specific engineering.
2. Measured from the surface of the platform.
3. Application dimension is inclusive bolt heads.

National Importer and Distributor

156 Beringarra Ave, MALAGA WA 6090
