Introducing the S-Series® Clearway™ Wheelchair Lift

Ricon S-Series Clearway lift
elevate the industry standard
for excellence in safe and
reliable wheelchair lifts.

ELEVATING THE INDUSTRY STANDARD FOR EXCELLENCE

The S-Series Clearway offers a fully automatic Clearway™ split platform, featuring the security of the industry-leading Ricon Safety Zone. Compact and simple to operate, the innovative S-Series Clearway lift design provides the passenger with safety and peace of mind, assuring you have the highest value accessibility solution available.

PERFORMANCE, RELIABILITY AND VALUE

Ricon S-Series Clearway wheelchair lifts formed the catalyst, setting the industry standard for performance, value and ease of use. These innovative design features include:

- Exclusive split-platform design
- The driver's line of sight is unobstructed for optimum safety
- Non-intrusive space-saving footprint
- Lightweight, compact design
- Easy operation and maintenance
- Durable design for long lift life
- Multiple dimension options providing versatility between customers
- Interlocking passenger safety restraint belt
- 5 Year Limited Warranty
- ADA Compliant

ADVANCED RICON LIFT TECHNOLOGY FEATURES RELIABLE PERFORMANCE AND USER-FRIENDLY DESIGN

Features:

- Industry-leading Ricon Safety Zone: Combines front and rear roll stops and handrails, secures passengers during lift operation.
- Simple and reliable operation provides convenient vehicle access for wheelchairs and scooters.
- Powerful hydraulic pump assures smooth, stable operation.
- Pre-lubricated bearings at all major pivot points for long-term durability.
- All steel construction with high gloss, polyester powder coat finish resists corrosion.
- Standard lifts rated at 364kg.
- ADA regulation compliant.
- Available with Ski Wheels.
- 5-year Limited Warranty.
- Exclusive split-platform design folds vertically enabling clear access to vehicle interior.
- The driver's line of sight is unobstructed for optimum safety.

MANUAL BACKUP SYSTEM – hand pump mechanism provides manual lift operation in case of power loss.

AUTOMATIC INBOARD ROLL-STOP – features quiet patented Sto-Loc self-adjusting mechanism with built in fail safe features.

OUTER ROLL-STOP SWITCH – limits platform travel if not locked into position.

TIGHTER MESH NON SKID PLATFORM – for greater rigidity and improved performance.

OCCUPANT RESTRAINT BELT SYSTEM – Patented fully interlocked Ricon occupant restraint belt system. Combines with dual handrails, inner and outer roll-stop barriers and side rails for industry-leading passenger security.

ANTIMICROBIAL COATING – to handrails can be provided as an optional extra.

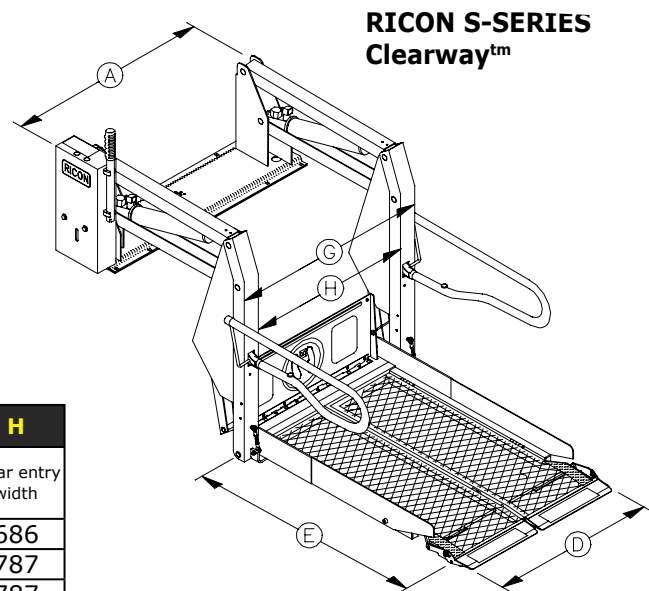

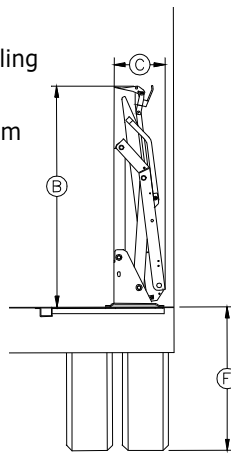

SKI WHEELS – can be provided as an optional extra.

LIFT WEIGHTS – between 141-173kg.

EXCLUSIVE SPLIT-PLATFORM – allowing unobstructed access upon exit and entry whether or not the lift is deployed.

S-SERIES™ CLEARWAY™ LIFT

Power..... electro-hydraulic (power-up/gravity-down)
 Pump rating@12 VDC 65A avg/cycle, 1250psi
 Pump rating@24 VDC 32.5A avg/cycle, 1250psi
 Hydraulic cylinders..... 2ea, 38mm dia
 Rated load capacity 364 kgs
 Manual backup (up)..... hand pump
 Manual backup (down)..... pressure release valve
 Lift weight..... 141–173 kgs
