

POWER TRANSFER SEAT

Introducing the RICON 6 Way Power Transfer Seat™ Base

The Ricon 6-way Power Transfer Seat™ makes transferring from wheelchair to driver's or passenger's seat convenient, time saving and simple.

Raising the standards by putting you in control of your vehicle long before you turn the key.

THE INDUSTRY STANDARD FOR OVERALL PERFORMANCE, RELIABILITY & VALUE

The 6-way Power Transfer Seat™ from Ricon makes transfer from wheelchair to driver's or passenger's seat convenient, easy and saves you valuable time too.

At the touch of a fingertip, the fully automatic Power Transfer Seat swivels 90 degrees to allow carefree transfers. Individual controls for front-to-rear travel and height give you complete control and comfort and with Ricon's quality commitment, you'll have dependable freedom for years to come.

Offering the sturdy construction and reliability that Ricon customers have come to depend upon, The Power Transfer Seat is backed by our 1 year limited warranty and conveniently serviced by the Kevrek Australia-wide, dependable dealer network.

Committed to providing industry leading design, manufacture and installation of World Class Mobility Transport Equipment.
